ACKNOWLEDGMENT AND AUTHORIZATION FOR RELEASE OF INFORMATION *(Please read carefully.)*

- I represent that the statements contained herein, including those made in response to the Medical History Statement questions and any supplemental information, are true and complete to the best of my knowledge and belief, and I understand that they form the basis of any coverage under the Group Policy(ies). I understand that any misstatements or failure to report information which is material to the issuance of coverage may be used as a basis for rescission of my insurance and/or denial of payment of a claim. I agree to notify Standard Insurance Company (The Standard) of any change in my medical condition while my enrollment application is pending. I agree that if my application is approved by The Standard, the effective date of any coverage will be determined in accordance with the terms of the Group Policy(ies), including any applicable Active Work requirement. I agree that if my application is declined, The Standard's liability is limited to the return of any premium which may have been paid.
- To any health plan, physician, health care provider, hospital, clinic, laboratory, pharmacy, pharmacy benefit manager, medical facility, insurance or reinsurance company, and the MIB, Inc. (MIB), I instruct you to disclose my entire medical record and any other protected health information concerning me to The Standard or its reinsurers. This includes information on any disorder of the immune system, including Acquired Immune Deficiency Syndrome (AIDS) or other related syndromes or complexes (excluding Human Immunodeficiency Virus (HIV)), and any communicable or sexually transmitted disease or disorder (excluding HIV). This also includes information on the diagnosis and treatment of mental illness and the use of alcohol, drugs, and tobacco, but excludes psychotherapy notes.
- By my signature below, I acknowledge that any agreements I have made to restrict my protected health information do not apply to this authorization and I instruct any of the above to release and disclose my entire medical records without restriction.
- I understand that The Standard will use information to determine my eligibility for group insurance coverage. I understand The Standard may release information it has about me to its reinsurers and to any person performing business or legal services for The Standard in connection with my application. I authorize The Standard to release information it has about me to MIB for the purpose of reporting to the MIB information exchange and for MIB to audit The Standard's reporting. I understand The Standard may release information it has about me to other insurance companies to which I have applied for insurance coverage or benefits.
- I understand that information disclosed to The Standard pursuant to authorization may be subject to redisclosure with my authorization or as otherwise permitted by law. Life and disability insurance coverages are not subject to the Privacy Rule under the Health Insurance Portability and Accountability Act (HIPAA), and therefore release of information to The Standard is not protected under the Act.
- I understand that I am entitled to receive a copy of this authorization. This authorization will remain valid six months from the date of the signature below. A photocopy or facsimile of this authorization shall be as valid as the original.
- I understand that I have the right to refuse to sign this authorization. I further understand that I have a right to revoke this authorization at any time by sending a written statement to The Standard, except to the extent it has been relied upon to disclose requested records. I understand that the revocation of the authorization, or the failure to sign the authorization, may impair The Standard's ability to evaluate or process my application and may be a basis for denying my application for insurance coverage.
- I understand that if my application is approved, premiums shall be paid in accordance with the provisions of the Group Policy(ies), and my coverage will be subject to all terms and conditions of the Group Policy(ies) and state limitations.
- For Member/Employee: If I currently have a Life and/or Trust Life beneficiary designation on file with my plan administrator, I understand the designation(s) on file will also apply to any approved amounts.
